

# CORROBOREE | BLACK ARTS MARKET

Saturday 16<sup>th</sup> and Sunday 17<sup>th</sup> November 2013

Pier 2/3, Walsh Bay, Sydney

REGIONAL  
ARTS NSW

## URGENT | CALL OUT FOR SUGGESTIONS

From 14 to 24 November 2013, the inaugural Corroboree will be presented in Sydney. Focusing on the harbourside of the city – from the Australian Museum around to Bangarra Dance Theatre - the festival draws together nine of Sydney's leading arts organisations, also including Gadigal Information Services (Koori Radio), Blackfella Films, Sydney Opera House, Museum of Contemporary Art, Art Gallery of NSW, Botanical Gardens and State Library.

A key event in the program is the **Black Arts Market** to be held during the first festival weekend on the Saturday 16<sup>th</sup> and Sunday 17<sup>th</sup> November 2013 at Pier 2/3, Walsh Bay. With the support of Regional Arts NSW, this market is intended to showcase the works of Aboriginal and Torres Strait Islander artists and cultural entrepreneurs from across NSW. Invited stallholders will be able to display and sell their products, ranging from artworks, homewares and design, to bush foods, body products, and medicines, to music and literature. During the weekend, participants will also be able to present talks and workshops to promote their work.

This market is a curated event and Corroboree is seeking suggestions from the RANSW network for potential participants from regional NSW. Groups of artists may also consider sharing a stall. Suggestions may be sent to the Aboriginal Arts Development Officer, Regional Arts NSW or to Corroboree directly; contact details below. Ideally, suggestions should include basic background information, images and a brief description of products, price range and contact details.

Details of financial support are yet to be finalised, but it is anticipated that the stall will be provided at no cost to invited participants and all sales etc are the responsibility of the participant. We are seeking low cost accommodation options for stallholders and support for travel costs to Sydney and product transport. This call for suggestions should not be considered a guarantee of financial or travel support.

We look forward to receiving suggestions for high quality, affordable, culturally appropriate products, suitable to exhibiting in an arts market.
