Dear Mr Rawlings,

**Jobs for NSW - Letter of offer – pre-deed**

Thank you for your Application for assistance towards the installation of an automated fuel system at Kempsey airport (the Project), under the now repealed Regional Industries Investment Fund.

Jobs for NSW is pleased to offer Kempsey Shire Council financial assistance towards the Project under its new Jobs for NSW initiative.

Jobs for NSW is offering a performance based package of up to \$173,000 (ex GST) towards the Project.

This offer of financial assistance is subject to Kempsey Shire Council and Jobs for NSW entering into a funding agreement and the public announcement of the project, including the State Government's role in any official launch of the project.

The structure of the assistance will be in the form of progress payments against mutually agreed milestones.

Please indicate your intention to enter into a funding agreement with Jobs for NSW by returning a copy of this letter with the attached statement signed to Monica Stadtmiller, at [monica.stadtmiller@industry.nsw.gov.au](mailto:monica.stadtmiller@industry.nsw.gov.au) by 9 June 2016.

Jobs for NSW will then send you a draft funding deed. Both parties must agree to the terms of the funding deed and you must sign the deed by 9 September 2016 or Jobs for NSW may withdraw its offer.

Should you wish to discuss any aspect of this offer, please contact Jane Spring, Deputy CEO Jobs for NSW on (02) 9338 6635.

Jobs for NSW looks forward to working closely with your organisation in the future to facilitate the project and further business growth.

Yours sincerely
