The procedure has been prepared in accordance with the *Local Government Act 1993* (the Act) and *Local Government (General) Regulation 2005* (the Regulation), and complies with the Office of Local Government's Guidelines for the payment of expenses and provision of facilities to Mayors and Councillors in NSW.

The procedure sets out the maximum amounts council will pay for specific expenses and facilities. Expenses not explicitly addressed in this procedure will not be paid or reimbursed.

Councillors must provide claims for reimbursement within six months of an expense being incurred. Claims made after this time cannot be approved.

Detailed reports on the provision of expenses and facilities to councillors will be publicly tabled at a council meeting every six months and published in full on council's website. These reports will include expenditure summarised by individual councillor and as a total for all councillors.

Part A – Introduction

1 Introduction

- 1.1 The provision of expenses and facilities enables councillors to fulfil their civic duties as the elected representatives of Kempsey Shire council.
- 1.2 The community is entitled to know the extent of expenses paid to councillors, as well as the facilities provided.
- 1.3 The purpose of this procedure is to clearly state the facilities and support that are available to councillors to assist them in fulfilling their civic duties.
- 1.4 Council staff are empowered to question or refuse a request for payment from a councillor when it does not accord with this procedure.
- 1.5 Expenses and facilities provided by this procedure are in addition to fees paid to councillors. The minimum and maximum fees a council may pay each councillor are set by the Local Government Remuneration Tribunal as per Section 241 of the Act and reviewed annually. Council must adopt its annual fees within this set range.

2 Objectives

- 2.1 The objectives of this procedure are to:
 - Enable the reasonable and appropriate reimbursement of expenses incurred by councillors while undertaking their civic duties
 - Enable facilities of a reasonable and appropriate standard to be provided to councillors to support them in undertaking their civic duties
 - Ensure accountability and transparency in reimbursement of expenses and provision of facilities to councillors
 - Ensure facilities and expenses provided to councillors meet community expectations
 - Support a diversity of representation
 - Fulfil the council's statutory responsibilities

3 Principles

- 3.1 Council commits to the following principles:
 - **Proper conduct:** councillors and staff acting lawfully and honestly, exercising care and diligence in carrying out their functions
 - **Reasonable expenses:** providing for councillors to be reimbursed for expenses reasonably incurred as part of their role as councillor

- **Participation and access:** enabling people from diverse backgrounds, under-represented groups, those in carer roles and those with special needs to serve as a Councillor
- **Equity:** there must be equitable access to expenses and facilities for all councillors
- **Appropriate use of resources:** providing clear direction on the appropriate use of council resources in accordance with legal requirements and community expectations
- **Accountability and transparency:** clearly stating and reporting on the expenses and facilities provided to councillors

4 Private or political benefit

- 4.1 Councillors must not obtain private or political benefit from any expense or facility provided under this procedure.
- 4.2 Private use of council equipment and facilities by councillors may occur from time to time. For example, telephoning home to advise that a council meeting will run later than expected.
- 4.3 Such incidental private use does not require a compensatory payment back to council.
- 4.4 Councillors should avoid obtaining any greater private benefit from Council than an incidental benefit. Where there are unavoidable circumstances and more substantial private use of council facilities does occur, councillors must reimburse the council.
- 4.5 Campaigns for re-election are considered to be a political benefit. The following are examples of what is considered to be a political interest during a re-election campaign:
 - production of election material
 - use of council resources and equipment for campaigning
 - use of official council letterhead, publications, websites or services for political benefit
 - fundraising activities of political parties or individuals, including political fundraising events

Part B – Expenses

5 General expenses

- 5.1 All expenses provided under this procedure will be for a purpose specific to the functions of holding civic office. Allowances for general expenses are not permitted under this procedure.
- 5.2 Expenses not explicitly addressed in this procedure will not be paid or reimbursed.

6 Specific expenses

General travel arrangements and expenses

- 6.1 All travel by councillors should be undertaken using the most direct route and the most practicable and economical mode of transport.

- 6.2 An amount of \$8,000 is budgeted from which a councillor may be reimbursed travel expenses, and the Mayor may be reimbursed up to a total of \$2,800 per year, for travel expenses incurred while undertaking official business or professional development or attending approved conferences and seminars within NSW. This includes reimbursement:
- For public transport fares
 - For the use of a private vehicle or hire car
 - For parking costs for Council and other meetings
 - For tolls
 - By Cab-charge card or equivalent
 - For documented ride-share programs, such as Uber, where tax invoices can be issued
- 6.3 Allowances for the use of a private vehicle will be reimbursed by kilometre at the rate contained in the Local Government (State) Award.
- 6.4 Councillors seeking to be reimbursed for use of a private vehicle must keep a log book recording the date, distance and purpose of travel being claimed. Copies of the relevant log book contents must be provided with the claim.

Interstate, overseas and long distance intrastate travel expenses

- 6.5 In accordance with Section 4, Council will scrutinise the value and need for councillors to undertake overseas travel. Councils should avoid interstate or overseas trips unless direct and tangible benefits can be established for the council and the local community. This includes travel to sister and friendship cities.
- 6.6 No provision for overseas travel has been made in this procedure.
- 6.7 Councillors seeking approval for any interstate travel must submit a case to, and obtain the approval of, the General Manager prior to travel.
- 6.8 Councillors seeking approval for any overseas travel must submit a case to, and obtain the approval of, a full council meeting prior to travel.
- 6.9 The case should include:
- Objectives to be achieved in travel, including an explanation of how the travel aligns with current council priorities and business, the community benefits which will accrue as a result, and its relevance to the exercise of the councillor's civic duties
 - Who is to take part in the travel
 - Duration and itinerary of travel
 - A detailed budget including a statement of any amounts expected to be reimbursed by the participant/s
- 6.10 For interstate and long distance intrastate journeys by air of less than three hours, the class of air travel is to be economy class.
- 6.11 For interstate journeys by air of more than three hours, the class of air travel may be premium economy.
- 6.12 For international travel, the class of air travel is to be premium economy if available. Otherwise, the class of travel is to be economy.
- 6.13 Bookings for approved air travel are to be made through the General Manager's office.
- 6.14 For air travel that is reimbursed as council business, councillors will not accrue points from the airline's frequent flyer program. This is considered a private benefit.

Travel expenses not paid by Council

6.15 Council will not pay any traffic or parking fines or administrative charges for road toll accounts.

Accommodation and meals

6.16 In circumstances where it would introduce undue risk for a councillor to travel to or from official business in the late evening or early morning, reimbursement of costs for accommodation and meals on the night before or after the meeting may be approved by the General Manager. This includes where a meeting finishes later than 9.00pm or starts earlier than 7.00am and the councillor lives more than 50 kilometres from the meeting location.

6.17 Council will reimburse costs for accommodation and meals while councillors are undertaking prior approved travel or professional development outside the Mid-North Coast region.

6.18 The daily limits for accommodation and meal expenses within Australia are to be consistent with those set out in Part B Monetary Rates of the NSW Crown Employees (Public Service Conditions of Employment) Reviewed Award 2009, as adjusted annually.

6.19 The daily limits for accommodation and meal expenses outside Australia are to be determined in advance by the General Manager, being mindful of Clause 6.18.

6.20 Councillors will not be reimbursed for alcoholic beverages.

Refreshments for council related meetings

6.21 Appropriate refreshments will be available for council meetings, council committee meetings, councillor briefings, approved meetings and engagements, and official council functions as approved by the General Manager.

6.22 As an indicative guide for the standard of refreshments to be provided at council related meetings, the General Manager must be mindful of Part B Monetary Rates of the NSW Crown Employees (Public Service Conditions of Employment) Reviewed Award 2009, as adjusted annually.

Professional development

6.23 Council will set aside \$7,000 annually in its budget to facilitate professional development of councillors through programs, training, education courses and membership of professional bodies.

6.24 In the first year of a new council term, Council will provide a comprehensive induction program for all councillors which considers any guidelines issued by the Office of Local Government (OLG). The cost of the induction program will be in addition to the ongoing professional development funding.

6.25 Annual membership of professional bodies will only be covered where the membership is relevant to the exercise of the councillor's civic duties, the councillor actively participates in the body and the cost of membership is likely to be fully offset by savings from attending events as a member.

6.26 Approval for professional development activities is subject to a prior written request to the General Manager outlining the:

- Details of the proposed professional development
- Relevance to council priorities and business
- Relevance to the exercise of the councillor's civic duties

6.27 In assessing a councillor request for a professional development activity, the General Manager must consider the factors set out in Clause 6.26, as well as the cost of the professional development in relation to the councillor's remaining budget.

Conferences and seminars

6.28 Council is committed to ensuring its councillors are up to date with contemporary issues facing council and the community, and local government in NSW.

6.29 Council will set aside a total amount annually in its budget to facilitate councillor attendance at conferences and seminars. This allocation is for all councillors. The General Manager will ensure that access to expenses relating to conferences and seminars is distributed equitably.

6.30 Approval to attend a conference or seminar shall wherever possible be approved by the full council who will authorise attendance and number of Councillors to attend.

6.31 If an approval for attendance by the Mayor or Councillors at a conference is required, that will require payment of expenses, and it is not possible to obtain approval of the full council, approval for the Mayor shall be given jointly by the Deputy Mayor and General Manager and approval for Councillors shall be given jointly by the Mayor and General Manager.

6.32 Council will meet the reasonable cost of registration fees, transportation and accommodation associated with attendance at conferences approved by the General Manager. Council will also meet the reasonable cost of meals when they are not included in the conference fees. Reimbursement for accommodation and meals not included in the conference fees will be subject to Clauses 6.17 - 6.20.

6.326.33 After returning from a conference or seminar Councillor(s), or a member of Council's staff accompanying the Councillor(s), will provide a Delegates Report to Council on the aspects of the event relevant to Council business or the local community.

Information and communications technology (ICT) expenses

6.336.34 Council will provide or reimburse councillors for expenses associated with appropriate ICT devices and services up to a limit of \$56,400 per 4-year term for councillors and \$10,000 per 4-year term for the Mayor. This may include mobile, tablet services, data, and home internet costs.

6.346.35 Reimbursements will be made only for communications devices and services used for councillors to undertake their civic duties, such as:
