Dear Council Management and Councillors,

The Stuarts Point Hall Committee are aware of the problems with accessibility to the Tennis Courts for the local community and visitors. We understand that SPADCO have been working with Council to resolve the issue, and an Expression of Interest (EOI) for management of the Tennis Courts is pending.

Until the EOI is issued and decided on, our Committee is prepared to offer an interim management service to ensure the facilities are available to the Community and visitors, over the forthcoming holiday period. This is particularly important to visitors to the Grassy Head and Stuarts Point Holiday parks, as there has been repeated requests.

We also advise that we will be responding to the EOI when it is issued, with a management plan utilising the services of the Supermarket staff to handle bookings, key, and deposit transactions. The Supermarket is open 12 hours per day, 7 days per week, which will enable accessibility. Our Committee has a proven record of Council asset management.

Kind Regards,

Margaret Breust  
Hall Treasurer

Carol Schwensen  
Hall Manager
