

FROM THE NAIDOC YARNING CIRCLE

Barayn murrung. It has been our pleasure to bring the community together to showcase and celebrate the amazing richness of Aboriginal culture across the whole of the Macleay Valley.

We are sure that all of the events planned throughout the week will be enjoyed by all in the community.

This is about community coming together to heal ourselves and our country so we can remain strong to Get Up, Stand Up and Show Up!

FROM THE MAYOR

Our local NAIDOC Yarning Circle and community have again coordinated an important program of events. These will enable the entire community to have opportunities to come together and celebrate the history, culture and achievements of our justifiably proud local Dunghutti, Aboriginal and Torres Strait Islander people.

Kempsey Shire Council is honoured to support these events. We should reflect on how important it is for all to "Get up! Stand up! Show up!" and celebrate the many who have driven and led change in the Kempsey Shire.

Leo Hauville, Mayor of Kempsey Shire Council
