

DISCLOSURE LOG

As of December 2024

Kempsey Shire Council's Disclosure Log is a record of information that Council has released in response to a formal application from an individual or organisation under the Government Information (Public Access) Act 2009 (GIPA Act). Council considers the information contained in the log to be of interest to other members of the community.

The Disclosure Log includes the below required information as set out in the GIPA Act:

- The date the application was decided
- A description of the information that was released
- Details on if the information is now available to other members of the community and how it can be accessed
