

# Community Sharps Bins

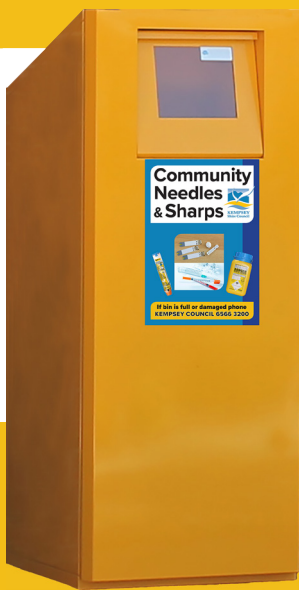

Community sharps bins are provided free for residents and visitors to safely dispose of containers of needles, syringes, finger prickers and other health-related sharp items from home.

Never drop sharps on the ground. Never put sharps in household waste (red), recycling (yellow) or organics (green) bins, or in public litter bins.

If you find a syringe in a public place, call the **Needle Clean Up Hotline 1800 633 353** or contact Kempsey Shire Council on **6566 3200**.

For more information, including the location of public toilets with small sharps bins, visit [kempsey.nsw.gov.au/sharps](http://kempsey.nsw.gov.au/sharps)
