ABORIGINAL and TORRES STRAIT ISLANDER ADVISORY COMMITTEE

(Adopted on: 29 November 2022)

1. Scope

The Inner West community has a strong desire for participation in Council's decision-making. Council recognises that local knowledge, ideas and feedback from the community are essential to ensure Council's decision-making improves community wellbeing and long-term sustainability.

Advisory committees are part of Council's Community Engagement Framework, providing advice and input to support Council's decision-making and actions. Consisting of community volunteers, advisory committees do not have delegation or decision-making powers.

2. Purpose Statement

Advisory committees contribute to achieving community expectations as set out in the the [Inner West Community Strategic Plan – Our Inner West 2036](#):

Strategic Direction 5, Outcome 5.3 – people are well informed and actively engaged in local decision making and problem solving

The key purpose of all advisory committees and working groups is to support Council to review and implement the Community Strategic Plan through Council's [four-year Delivery Program and annual Operational Plan](#).

Advisory committees and working groups provide a purposeful forum to deliberate and problem solve.

All Local Democracy Groups will be allocated one to two appropriate policy challenges for deliberation. Quarterly progress reports on deliberations will be submitted to Council (see point 12).

Council may invite committee nominees to participate in Council activities such as annual grant application evaluations.

The purpose of the Aboriginal and Torres Strait Islander Advisory Committee is to

- assist Council with matters related to services, programs and activities for Aboriginal and Torres Strait Islander peoples living in the Inner West local government area
- provide feedback, guidance, and recommendations to Council on specific issues, including strategic planning and policy
- contribute local knowledge regarding community impacts, emerging trends, opportunities and service gaps
- support the delivery of NAIDOC Week and Reconciliation Week activities/celebrations
- participate in the annual Local Government Aboriginal Network (LGAN) Conference

The policy challenge/s for this Local Democracy Group as resolved by Council at its meeting in October 2022 (C1022(1) Item 11) are:

1. How does the current Advisory Committee change to a 'Voice' to Council, based on the principles of the Uluru Statement from the Heart – Voice, Treaty, Truth?
2. Provide input and assistance in the development of Council's Anti-Racism Strategy, including identifying effective existing and potential strategies.

The Aboriginal and Torres Strait Islander advisory committee will also:

- provide feedback, guidance, and recommendations to Council on policies which impact on land, waterways, environment, and Aboriginal & Torres Strait Islander peoples
- serve as a 'Voice' and a resource for Council in relation to Aboriginal and Torres Strait Islander issues, policies, plans, histories, and decisions.

3. Access and Inclusion Statement

Council is committed to an inclusive approach in its local democracy groups. Diversity, equity, and accessibility is at the core of our approach to community engagement. A variety of perspectives helps generate better ideas and outcomes for the whole community.

Council specifically encourages people from Aboriginal and Torres Strait Islander communities to apply to join its local democracy groups.

4. Community Engagement Framework

All of Council's Local Democracy Groups including advisory committees, working groups and other forums are part of Council's Community Engagement Framework, helping to strengthen local participatory democracy. The Community Engagement Framework guides how Council will engage so that a broad range of perspectives are sought, and the community has a strong voice in Council's decision-making. Council engages the community in a range of ways including on specific projects. Members of local democracy groups may also contribute input to specific engagements as individuals.

Effective engagement will:

- ensure community needs and expectations are understood and reflected in the decisions and actions of Council
- result in better, more sustainable decisions
- build trust and improve accountability through transparency of decision-making
- value local knowledge and foster local problem-solving
- improve understanding of Council's planning, prioritising and resourcing

In general, advisory committees and working groups meet four to six times per year as required, in agreement with members. Meetings are held either face-to-face or online as determined by each group.

Meetings should not be held on Tuesday nights to avoid clashes with Councillor briefings or meetings.

7. Membership and roles

Advisory committee members are selected by a recruitment panel comprising relevant Council Directors (or their delegates) and three Councillors (determined by Council resolution) following an Expression of Interest process. Groups comprise between 8-15 members. Casual vacancies will be recruited on an ad hoc basis by the Convenor.

Members appoint a Chairperson at their first meeting. Council encourages community members to chair meetings. If the elected Chairperson is absent, members elect a Chairperson for that meeting. If a member resigns, a replacement will be recruited.

Members contribute through subject matter expertise or lived experience. Members are required to attend meetings and provide input on matters of discussion. If members are absent from three consecutive meetings without agreed prior notification to the Chairperson, their membership will lapse and a new member for the group will be recruited.

Councillors are encouraged to attend meetings of advisory committees. However, Councillors are not eligible to propose motions or vote on recommendations at advisory committee meetings as these forums are for community representation. As elected officials, councillors may be required to make final decision on recommendations at a meeting of Council.

One or more Council staff members will be appointed as convenors of the advisory committee. The convenor will develop the agenda in consultation with members, attend meetings, advise members about Council policy where relevant and take notes of recommendations resulting from agenda items.

8. Quorum

Local Democracy Groups have unique access to Council and ability to influence its decision making. They can play an important role in positively influencing outcomes affecting the whole community. Although advisory committees are not a decision-making body, a quorum is required for recommendations. The quorum for meetings is four + one members

9. Meeting principles

Members are expected to:

- participate in discussions and offer opinions and knowledge
- treat others with respect and have due regard to the opinions, rights and responsibilities of others

- act with integrity
- attend each meeting where practical
- declare conflicts of interest
- maintain the confidentiality of information where relevant

10. Agendas

Convenors circulate agendas to members one week prior to the meeting.

If an advisory committee is deliberating on a significant matter, documents may be provided to members with additional notice.

Council may refer items to advisory committees for advice/recommendation by resolution.

11. Media

The Mayor and the General Manager are the designated media spokespeople for Council in accordance with Council's Media Policy. Advisory committee and working group members may speak to the media about their own views but must not purport to represent Council.

12. Reporting and transparency

Minutes will be published on Council's website within seven days of each meeting.

Manager Corporate Strategy and Engagement prepares a quarterly progress report on all Local Democracy Groups, based on summaries provided by Convenors. The reports will be submitted to Council.

Should recommendations require referral to Council outside the quarterly progress report timeline, Convenors will prepare a separate report.

Convenors will monitor the progress of any recommendation to Council and report the outcome back to the group.

13. Term

The term of the advisory committees and working groups will end in September 2024 in line with the Council resolution of May 2022.
